

Speech-Language Pathologists (S-LPs) are Essential Members of Education Teams

Speech-language pathology services support academic success, as well as the social and emotional well-being of students.

S-LPs assist students with:

- ✓ Reading
- ✓ Listening
- ✓ Vocabulary
- ✓ Feeding & Swallowing
- ✓ Writing
- ✓ Speaking
- ✓ Social Skills
- ✓ Augmentative and Alternative Communication

How we help:

Prevention

Our interventions can prevent literacy and secondary behaviour problems.

Collaboration

We contribute to educational goal setting, planning and curriculum accessibility.

Modelling

We participate in team teaching and model intervention activities to caregivers and other educators.

Adaptations

We recommend task adaptations that help students succeed.

Screening & Assessment

Group-administered or one-on-one screenings and assessments guide our interventions and inform school placement decisions.

Identification

We identify speech, language and communication challenges that directly impact student success.

Intervention

Our evidence-informed interventions include individual treatment, small and large group instruction, as well as consulting with other educators.

Speak to your school's S-LP to learn more about school-based speech-language pathology services.
