

Shine a Light on Suicide Prevention

World Suicide Prevention Day

Sept. 10th

- wear yellow
- light up homes and public spaces
- start conversations about hope, mental health & suicide prevention
- learn about available supports and resources
- inspire others to participate

Together, We Can

Start the conversation to increase awareness, reduce stigma and remind people that support is available and that every life matters!

Why yellow

Yellow symbolizes hope, light and the promise of a new day.
